Draft Bill 2010FL-122/009	Utah Performance Assessment Test Systems for Students (U-PASS) Amendments--Howard Stephenson		No		19-Nov-09		Randy	24-Nov-09	The bill eliminates the NRT requirement beginning with FY 2011, but the current NRT contract ends with FY 2010, and no money has been budgeted to establish a new contract with an NRT provider in FY 2011 or beyond, so there is no actual money to be saved.	
Draft Bill 2010FL-0281/002	PROTECTED: School Property Tax Equalization Revisions--Karen Morgan		No		16-Dec-09		Cathy	16-Dec-09	This bill will allow school districts in Salt Lake County to keep all of their property tax revenue generated within their boundaries rather than implementing an additional tax to recover revenue distributed to other areas outside of the school district. S.B. 87	School Property Tax Equalization Revisions--Gene Davis		Yes		7-Jan-10		Cathy		There would be different impacts on school districts in Salt Lake County. The first impact would allow all districts to keep all of their property tax revenue generated in their boundaries rather than implementing an additional tax and distributing those funds to other areas outside of the school district. Residents of the school district wouldn't have to pay for services outside of their school district's boundaries. The second impact would be on the receiving school districts (Jordan School District in FY10 and Jordan and Granite School Districts in FY11) in that they would not receive that additional revenue from the other school districts for capital outlay expenditures. \$10,766,028 will be redistributed to Jordan School District in FY10; nearly \$7 million is redistributed to Jordan and Granite school districts in
